

FABRIC COOLER/FREEZER DOOR

REPLACEMENT WINDOW SURVEY

Replacement windows are sold individually. All windows are custom made to size. All replacement windows are manufactured with 40 mil ultralow temp clear PVC plastic and 18 to 22 ounce black vinyl where applicable. (Various color choices available upon request.) Windows are available with Velcro® fasteners or double sided tape.

All window orders should provide the following information: product brand and model, window opening, color and hook, and loop layout.
